Ephebian Oath: "We will never bring disgrace to this, our city, by any act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks; we will fight for the ideals and sacred things of the city, both alone and with many; we will revere and obey the city's laws and do our best to incite a like respect in those above us who are prone to annul or set them at naught; we will strive unceasingly to quicken the public sense of civic duty. Thus, in all these ways, we will transmit this city, not only not less, but far greater and more beautiful than it was transmitted to us."
